

Cargill Power Canola™

FUEL UP! 2025

Partner with Cargill to fuel your canola crop and earn account credit by purchasing eligible canola inputs

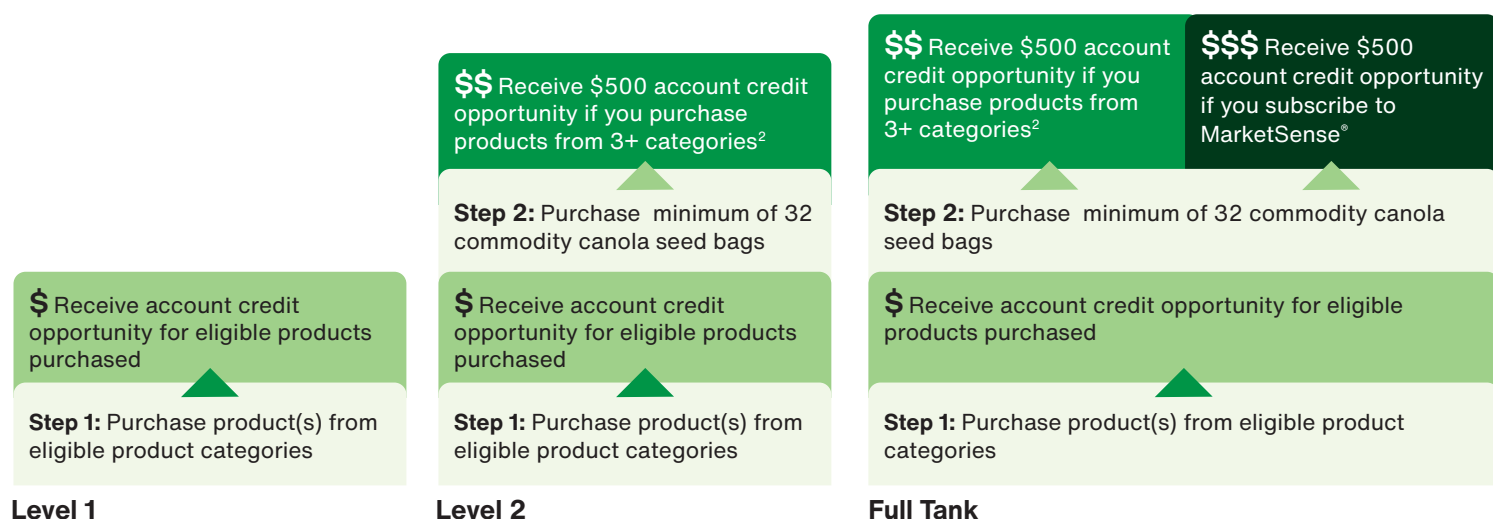

With Cargill Power Canola, you have access to new markets, unlocking additional value potential while offering full flexibility around your production and marketing decisions. As you look for ways to help maximize your return, market access is only half of the equation - fueling your crop to optimize yield potential is the other half.

From seeding through selling, Cargill is your canola partner to help maximize your returns.

How it works

- Enroll canola fields in Cargill Power Canola on CargillAg.ca for crop year 2025 before August 31, 2025.
- Purchase eligible canola seed, crop protection and fertilizer products from Cargill between September 1, 2024¹ and August 31, 2025. See eligible products list on page 2.
- Establish a Cargill canola merchandising contract for crop year 2025 production before April 30, 2026. Canola must be delivered to Cargill before August 31, 2026.
- Account credits will be issued bi-weekly starting on October 1, 2025 until April 30, 2026, as canola is contracted.

What you can earn:

¹ Anvol™ and Procote™ purchased between August 1, 2024 and September 1, 2024 will also qualify for FUEL UP! 2025.

² Minimum of 320 acres of fungicide product and/or 320 litres of fertilizer products from three or more product categories is required to be eligible for the \$500 bonus.

Value of Credit
