

Fuel Up! 2026

Partner with Cargill to fuel your canola crop and earn account credit by purchasing eligible canola inputs

With Cargill Power Canola, you have access to new markets, unlocking additional value potential while offering full flexibility around your production and marketing decisions. As you look for ways to help maximize your return, market access is only half of the equation - fueling your crop to optimize yield potential is the other half.

From seeding through selling, Cargill is your canola partner to help maximize your returns.

How it works

Enroll canola fields in Cargill Power Canola on CargillAg.ca for crop year 2026 by Aug 31, 2026.

Purchase eligible* crop input products from Cargill between Sept 1, 2025 and Aug 31, 2026.

Establish a Cargill canola merchandising contract for 2026 production between May 1, 2026 and April 30, 2027, delivered by August 31, 2027.

Earn account credit starting October 1, 2026 until April 30, 2027, as canola is contracted.

*Eligible products are listed on page 2.

Value of Credit
