

Fuel Up! 2027

Partner with Cargill to fuel your canola crop and earn account credit by purchasing eligible canola inputs

With Cargill Power Canola, you have access to new markets, unlocking additional value potential while offering full flexibility around your production and marketing decisions. As you look for ways to help maximize your return, market access is only half of the equation - fueling your crop to optimize yield potential is the other half.

From seeding through selling, Cargill is your canola partner to help maximize your returns.

How it works

Enroll canola fields in Cargill Power Canola on CargillAg.ca for crop year 2027 by Aug 31, 2027.

Purchase eligible* crop input products from Cargill between Sept 1, 2026 and Aug 31, 2027.

Establish a Cargill canola merchandising contract for 2027 production**.

Earn account credit starting October 1, 2027 until April 30, 2028 as canola is contracted.

*Eligible products are listed on page 2.

**Cargill canola merchandising contract must be created between September 1, 2026 and April 30, 2028 and delivered between September 1, 2027 and August 31, 2028

Value of Credit

You can earn Fuel Up! account credit on eligible products listed in the table below.

The table below shows how Fuel Up! qualifying acres and credit potential is calculated for each product category. Farmers can earn credit across all eligible product categories.
